## PLAYER'S WELCOME

On behalf of Go Golfing and our partners Golfasian it is my pleasure to welcome you to the Amari Hua Hin Skins Golf Week.

Back by popular demand, Black Mountain will feature as part of this year's host courses along with Banyan - a much loved favourite & the Jack Nicklaus designed Springfield Country Club. This is the best course selection as voted by past players.

Our innovative and popular Skins presentation will be played out on the big screen each night at Amari Hua Hin. With big prizes up for grabs there is sure to be celebrations.

The tournament committee have been busy reviewing the 6-month playing history of all players and scores which will ensure integrity and fairness to all players.

My co-host this week is Richard Clarke. Both Richard and I look forward to spending time with you on and off the course and please approach us if we can assist in any way.

Our week of golf culminates with a presentation dinner where we will celebrate our champions and toast a fantastic week of golf, fun and friendship.

Enjoy the experience,

Mark Hawley  
Go Golfing Tournament Manager

## EVENT INFORMATION

### Tournament Registration

Tournament registration will be conducted at the Amari Hua Hin on Saturday 21 March between 3:00pm - 5:00pm. Players will receive the golf draws, bag tag, name tag, shirt and caddie bib.

### Official Handicap

Your handicap index will be downloaded on 1 March and advised to you at registration. The 'slope handicap system' will be utilised to calculate player handicaps for the Championship rounds. Tournament organisers will calculate your daily handicap and publish it on your scorecard each round.

### Handicap Adjustments

Tournament organisers will adjust handicaps (downwards only) which take into consideration: scores for each round, consistent high scoring, scores recorded on pre-determined holes & on course review of playing ability.

### Prizes

Playing as a team of 2, your combined stableford scores are totalled for each hole. The team with the highest stableford total on each hole wins the allocated prizes. If there is a tie, the prize jackpot rolls over to the next hole with all teams eligible to win THB 1,000 worth of prizes on every hole! At the end of 4 rounds there will be prizes awarded toward the team with the most stableford points and also the team with the most skins won.

### Stableford Scoring Explained

The number of stableford points awarded on each hole is determined based on your 'adjusted score' on each hole in relation to par. Under stableford scoring, your actual score on each hole is adjusted based on your handicap. The stroke index (SI) is used to determine on what holes you apply your handicap. Examples: a 12 handicap golfer would deduct one shot from their fixed score on stroke index holes rated 1 to 12 only. A 24 handicap player would deduct two shots from their fixed score on holes indexed 1 through 6 and deduct one shot on holes indexed 7 to 18. The 'adjusted' score is then compared to the stableford scoring table as follows:

Double bogey or worse	0 stableford points	Birdie (1 under par)	3 stableford points
Bogey (1 over par)	1 stableford point	Eagle (2 under par)	4 stableford points
Par	2 stableford points	Albatross (3 under par)	5 stableford points

## TOURNAMENT RULES

### Double Points

Prior to play each day, there will be a random draw to determine 2 holes where all players stableford points will be doubled. These holes will be highlighted in **yellow** on the skins score sheet for each round. Please double your points on this hole and write the total for the hole in the total column

### Pressure Test

There will also be a random draw to determine 2 holes where you will multiply your stableford scores together. This hole will be highlighted in **pink** on the skins score sheet for each round. Please write the total for the hole in the totals column. For example if one player has 3 points but his/her partner has 0 points then the total of this hole = 0. Alternatively if one player has 3 points and the other 2 points then the total for this hole = 6 points.

### Skins Score Sheet

Each team will be provided a skins score sheet. Write your team name on the top of the scoresheet and swap scoresheets with your playing partners. Please fill in the scoresheet for each hole, stableford points only - no stroke score. Ensure you mark the double point & modified stableford holes correctly - refer to diagram.

### Scorecards

You also will be given a scorecard to complete - 1 per team. Swap scorecards with your playing partners. Please write your teams name on the scorecard and swap with your playing partners. If you mess up your teams scorecard, please transfer the stickers onto the new card. Clearly write your stroke score and stableford points or '-' if no points. Total the stableford points for each 9 holes and clearly write the 18-hole stableford total.

## GOLF COURSES

### Black Mountain Golf Club

Black Mountain was transformed from lush jungle and pineapple plantations. It is set in a valley, just next to the "Black Mountain's", which are so named because of the large black rocks set into the mountains, providing a nice backdrop to many of the holes.

The Hua Hin golf course was the site for Asian PGA tour events in 2009 and 2010 and the Europe versus Asia match play Royal Trophy in 2011. In 2012 Black Mountain was selected as one of the 100 best golf courses outside the USA by Golf Digest magazine.

### Banyan Golf Club

Built among a pineapple plantation, Banyan Golf Club in Hua Hin opened in October 2008. Immediately following, the course was awarded 2009 Best New Course in Asia Pacific by the readers of Asian Golf Monthly. Since then Banyan golf course and clubhouse has consistently claimed 'Top 3 in Thailand' awards and been featured in the 'Rolex Top 1000' in the World.

The world class 18-hole championship golf course was designed by Thailand golf course architect Pirapon Namatra from Golf East and is known to be one of the best layouts in the country.

### Springfield Country Club

The Jack Nicklaus designed Springfield Royal Country Club is located off the Hua Hin bypass road near Cha Am. The course is rated as one of the best Hua Hin golf courses and the traditional Nicklaus layout is as good as they come.

The course at Springfield has been designed to meet the high demands of a recognized championship golf course, and yet it remains an enjoyable challenge for golfers of all standards.
